Wise, and that they were as careful as the stringent circumstances of the case permitted."

Chief Wise and Cornell will face the formal charge of murder to-morrow morning in Police Court, but in view of the verdict of the coroner's jury there is little doubt but they will be acquitted.

Both Testify at Inquest.

The testimony of Cornell and Chief Wise was to the effect that their machine was moving at a rate of about twenty-five miles an hour.

Cornell testified that he risked the lives of himself and Chief Wise of himself and Chief Wise in an effort to avoid a collision with Mr. Pittz. Both denied the statement of other witnesses that Mr. Fittz was hurled into the air by the force of the blow from the machine. They said he was struck by contact the strength of the statement of the blow from the machine. They said he was struck by contact the feeder dithe for the force of the blow from the machine. NEW PLANT IS SATISFACTORY.

rent in the recently finished plant, are carrying the load excellently, and ever since the old Canal Street plant slowed down and the supply cables were coupled up to the new plant nothing has gone amiss.

With its new superstructure the new building appears more striking than ever, and a visit to the Interior makes it apparent that when the cement floor has been laid, the brass rails polished up, and the generators given a final cost of enamel, the power plant will be one of which Danville may be justly proud.

It will probably be some weeks been plant will be one of which Danville may be justly proud.

It will probably be some weeks before the firshing touches will be made, for the steam turbine, which is in the rear of the old city plant is to be taken bodily from that building to the new one and placed upon the concrete foundation which awaits it.

Solver of High Cost of Living Raids Poor Solver of High Cost of Living Raids Poor Farm Smokehouse.

Alexandria, Va., March 10.—The solver of the high cost of living, who a short time ago stole several hundred pounds of meat from a local storehouse and for whom the police have been searching, early te-day renewed his operations and raided a smokehouse taking with him 60 pounds of smoked ham. The fact that the smokehouse was a part of the poor farm establishment did not deter the theif.

The daring of the marauder has caused astonishment. In all of his depredations he has used horse and wagon and, although the smokehouse was only a few feet from the main building at the poor farm, evidently he drove up boldly and took what he wanted.

The police was called a sheat throughts.

He was better Norfolk to go into dry dock about March L. yesterday, and bore himself more con-

nuitee, or at least, a part of that community which fosters annexation sentiment is anxious to ascertain the city's attitude toward taking it in. The whole matter was agitated on Friday night, February 2, when a meeting of those interested in annexation was held in the Liberty Hall, and the city was asked in a set of resolutions to again take up the matter.

The Pinners Points about March 15.

Supreme Court Proceedings.

The following business was transacted in the Supreme Court of Appeals yesterday; and bore himself more confidently.

While nothing has been given out, it is understood that the resources of the Allen sympathizers have by no means been exhausted. Their ranks contain men who never give up on a proposition, and who are ready with more ammunition as soon as one The two condemned men have seventeen more days Sidna Edwards, who is il measies, in the penitentiary, was a little better yesterday. His brother, Wesley Edwards, was the first of all 1,200 prisoners to contract the

Fredericksburg Citizen, Attacked by Mad Dog, Has Fully De-

Fredericksburg, Va., March 10.—Lee Shepherd, of Fredericksburg, was suddenly attacked by a maddog about six weeks ago while attending to some duties in connection with his railroad work. He got the dog by the throat and choaked him to death. The whole affair was over in a minute or two. The head of the dog was sent to Washington, and Mr. Snepherd was quickly notified that the dog unquestionably had rabies. Mr. Shepherd left at once for Washington and took the Pasteur treatment, which he faithfully carried

out.

For the past several days Mr. Shepherd has been feeling very badly, and Saturday night symptoms of hydrophobla appeared, and yesterday he had a fully developed case. Dr. F. C. Pratt telegraphed for an expert from the Marine Hospital service in Washington, and as soon as the expert arrived Mr. Shepherd was taken to the Mary Washington Hospital here. The victim is perfectly rational, and asked that he be strapped to bis bed so that he could not do injury to any one. The case is regarded as hopeless. Everything is being done to save the man's life, but it is thought he is only being kept alive by the use of stimulents.

Woman Held for Grand Jury.
Susie Hill, colored, was held for grand jury action yesterday morning in the Police Court on the charge of throwing rocks at a Riverview car Saturday night and endangering the lives of passengers. With Genevieve Johnson, she was fined \$10 and costs for disorderly conduct aboard the car. Ira Smith, who was also arrested on Ira Smith, who was also arrested on the charge of throwing rocks, was dis-missed. The negroes were put off the car by the conductor on account of their

It is stated that the attorneys have at that time Frick thought the properties, but at that time Frick thought the properties of the stockholders of the Matoaca erraphic report of Clerk Good's avi-

reports and consider matters of in-terest concerning the company.

On Wednesday night, in the rooms of the Chamber of Commerce, the joint committees of the chamber and of the Retail Merchants' Association, on the new hotel project, will meet to discuss the proposition in detail. It is probthe proposition in detail. It is probable that the formation of a joint stock company to build a new hotel may be suggested or approved. The board of directors of the Retail Merchants' Association, at a recent meeting, started the nucleus of a fund for a hotel, and it is understood citizans at the standard of the standard to the standard of the standard to the sta zens stand ready to subscribe to stock.

REMARKABLE SURRENDER.

said he.

"Was anything said about suppressing competition by means of acquiring the Union-Sharon?"

"Was anything said about suppressing competition by means of acquiring the Union-Sharon?" To prove the relations of the Steel Corporation with supposedly independent concerns, the government introduced evidence to show that Henry Clay Frick is the owner of 37,100 shares of the Cambria Steel Company. He also had a large block of the American and told him he wanted to surrender himself. He explained to the officer that he was a fugitive from justice, having escaped from the road force in Chesterfield County a year ago last September, and that he was tired of roaming around hiding and avoiding arrest, and that he wanted to go back As a matter of fact, Goad's recollection of what happened in the courtroom, aside from his own acts, was very meagre, and his evidence proved decidedly disappointing from a news standpoint to the reporters who were present.

Attorney Willis, and former Senator R. P. Bruce, of Wise, who were in yesterday's conference with Richmond lawyers and friends here of the Aller homes last night, but that the corporation needed lawyers and friends here of the Aller homes last night, and the wanted to go back of the American Steel Company. He also has a large block of the American Can Company, a heavy consumer of steel, operating independently, but disposed of it, so the fact was not put down on record.

Regarding the lease of the Great Northern ore lands, Mr. Gayley said he considered the price paid was too about two years ago. He escaped, was about two years ago. He escaped, was captured and returned, with additional time, and then escaped again eighteen time, and then escaped again eighteen to the roads and serve out his sent to the

ROCKEFELLER FINDS OIL HIGH.

Wants Motor Bont, but Cost of Gasolene Makes Him Hesitate.

Sea Breeze, Fia., March 10.—John D. Rockefeller paid 25 cents a gallon for gasolene at the garage of the Hotel Clarendon. He did not even demur at the price.

Last week Mr. Rockefeller remarked that it would be fine to have a motor boat in Florida, if it were not for the high cost of gasolene. gasolene.

Sidney Haigh, owner and manager of the garage, always pays Standard Oll prices for his gasolene, and sees no reason why Mr. Rockefeller should not pay his price.

GHOST CAUSES MINE STRIKE.

Men Quit at Command of Wraith, Half Man, Half Horse, Carrying Luminous Dinner Pail. Kittanning. Pa., March 10.—Scoffs and jeers have failed to shake the belief of 200 miners employed in the Chickasaw mine, near here, that it was a genuine wraith that went from room to room in the workings last Friday and in a sepulchrai volco commanded them to drop their tools and go. The celerity with which the order was obeyed marked a record for dispatch. Terrified workmen poured in droves from the mine entrance.

According to the men, the upper half of the ghostly body was like that of an emaciated man, while the lower half resembled the hind quarters of a horse. In one hand it carried what apparently was a dinner pail, from which streamed lurid gleams of light.

BRAVELY LANDS HEN THIEF.

Prisoner Proves to Be Blacksmith of Good Reputation.

Vineland, N. J., March 10.—John Lauder, whose father, Walter Lauder, conducts a large drug business in New York, is a hero among chicken fanciers. Hearing a commotion in his chicken yard on East Landis Avenue last night, he rushed out to find one man with a team outside and another with a lantern in his chicken coop. Lauder put his pistol on the man in the wagon, when the man in the coop hurried away, with several shots flying after him.

When the captured man was landed in jall he was found to be Samuel Snyder, a blacksmith, of Norma, who had always borne a good reputation. He was held for a hearing.

GALLANT LA FOLLETTE.

Carries a Satchel for Overburdened Man,
Caldwell, N. J., March 19.—When James S.
Throckmorton, cashier of the Citizens' National Bank of Caldwell, accompanied by Mrs. Throckmorton and her sister, Mrs.
Mary J., White, of New York, went to the Union Station at Washington to board a train for home, he was lugging two heavy

tached porter. Burdened as he was, Mr. Th couldn't help his wife and her sister board-Mr. Throckmorton, to show his gratitude,

offered the stranger a cigar. The latter, still smiling, remarked that he never smoked, and declined the cigar. "Well, sir," replied the Caid-all man, "if I knew your name, perhand! would be better able to thank you."

"Oh," smilingly replied the other, "here is my card." It read: "Robert M. La Follette." and in the corner "United States Senate."

avoid striking Mr. Fittz he swerved the machine to the right of the street, barely missing an obstruction, and endangering the lives of himself and

"The Class Conflict."
To-night, at Christ Protestant Episcopal Church Parish House, Miss Florence Wattles, of Indiana, will deliver the third lecture of the Socialist Ly-

Fifteen Cents

The Food Problem means more than

merely something that tastes good. Often

it decides the difference between illness

Grape-Nuts

is not only a pleasant breakfast cereal with

a delightful flavour, but provides in natural

easily digestible form, those true healh-

building elements of wheat and barley

which make sound bodies and bright brains.

NO DATE SET FOR MEETING.

Danville. Va., March 10.—The new municipal power plant is working in a satisfactory manner. For nearly two weeks now the two powerful turbines, generating electric current in the recently finished plant, are car-

wanted.

The police were called a short time after
the robbery was committed and followed
that tracks of the wagon up to the main
road, where they were lost in the cut-up
condition of the traveled highway.

[Special to The Times-Dispatch.]

misbehavior. They became angry and retaliated by throwing rocks, smash-ing several windows.

veloped Case of Rabies.
